### Certificates

- Swimming teacher

### Languages

- Slovene,
- English

### Profesional experience

#### 2018 – technical editor and designer at Novice Svet24 d.o.o.

- Meeting the deadline for publishing the daily tabloid and efficiently preparing a substantial volume of pages, resulting in the successful printing of the tabloid daily for a consecutive five-year period.

#### 2017 – project manager at Salomon d.o.o.

- Transferring 250 individuals to the newly purchased office facility by efficiently designing floor plans, consolidating multiple work locations into a single space, and achieving a fresh and invigorating atmosphere in the new working environment.

#### 2015 – associate at MD projekt d.o.o.

- Collaboratively creating detailed plans for an office building with MD projekt d.o.o., taking action to produce comprehensive drawings and captivating 3D presentations, ultimately resulting in obtaining the required municipal approval for the construction project.

#### 2011 - 2014 – owner and manager at Arhitektura Dereani d.o.o.

- Completing a public competition for renovating a primary school and constructing a gymnasium in Rakičani by developing conceptual plans, creating visually appealing 3D representations, and achieving the outcome of meeting the requirements while obtaining architectural board funding to cover the associated expenses.
- Designing conceptual plans for an efficient waste separation line by creating visually appealing 3D representations and detailed plans, successfully fulfilling the client’s requirements and the subsequent compensation for the project.

#### 2011 – diploma with mentor prof. Igor Kalčič

- Completing an architectural diploma project for 120-row houses in Ivančna Gorica under the guidance of Prof. Igor Kalčič through the action of creating conceptual plans and visually appealing 3D representations, resulting in the successful completion of the project, followed by a productive meeting with the owner of the site and the mayor, which opened doors for future collaborations.

#### 2009 - 2011 – assistant of prof. Tadej Glažar

- Digitally preserving and archiving the opus of renowned architect Prof. Stanko Kristl by efficiently scanning and digitizing over 5000 documents, resulting in the creation of a comprehensive digital collection and organizing a prestigious exhibition of his work at the Museum of Architecture and Design (MAO) in Slovenia.

#### 2007 – 2011 – associate at Mitja Janc Arhitekt 314 s.p.

- Organizing a workshop and finalizing the conceptualization for a residential project of row houses in Krško’s old industrial zone through creating conceptual plans and visually appealing 3D representations, resulting in the successful completion of the workshop and receiving payment from the municipality for the project.
- Public competition for a library and urbanism plan in the historic town of Krško by taking action to create conceptual plans and visually appealing 3D representations, resulting in the successful fulfillment of the stipulated requirements, acquiring architectural board funding, and achieving the notable achievement of winning the 2nd prize for urbanism in the competition, as supported by the provided document: [[http://www.zaps.si/img/admin/KNJIZNICA\\_KRSKO\\_79531\\_7.pdf](http://www.zaps.si/img/admin/KNJIZNICA_KRSKO_79531_7.pdf)].

#### 2004 – author

- Student competition for the renovation of Talci Square in Kamnik through collaborative efforts with Prof. Vojteh Ravnikar to create compelling conceptual plans and visually captivating 3D representations, ultimately resulting in the remarkable achievement of securing the prestigious 1st prize in the competition.
